9. Do you have any other comments to add to your evaluation?

Please keep your comments constructive and professional, abiding by the Principles of Community

- He's very funny, great guy
support his music slay
- I love this man
- Objectively the best TA , had amazing discussion sessions. Literally made my life better
- We came in prepared to learn about multivariate calculus, but little did we know that we would learn about ourselves. This man is an American Hero. Give this man a degree and job already. Build him a statue of bronze and silver. He just deserves it. Just pay him a fair wage already.
